

UCAS 415002Y (Scientific Writing in Chemistry) Instructor: Rainer Glaser School: School of Chemistry and Chemical Engineering

Enrollment: 108 Evaluator: 99 Overall rating: Excellent

No.		Item	4.0	3.0	2.0	1.0	0.0	Overall rating	Grade Point Ave.
1	Teaching Attitudes	1) Rigorous manner, well-prepared contents, careful knowledge impartation	95	3		1		excellent	3.94
2		2) Sufficient grasp and understanding of the course	93	5		1		excellent	3.92
3		3) No adverse effects of suspended classes and adjustment on the lecture	91	7		1		excellent	3.90
4	Teaching Contents	1) Conformation to the syllabus	90	8		1		excellent	3.89
5		2) Proper emphases, details, and a good overview with sufficient detail	86	11	1	1		excellent	3.84
6		3) Introduction of frontier and hot issues in this discipline	87	11		1		excellent	3.86
7	Teaching Methods	1) Enlightening, vivid in speech, using individualized learning/teaching methods, inspiring in students' initiative	88	10		1		excellent	3.87
8		2) Attentive to the combination of knowledge impartation and skill training	89	9		1		excellent	3.88
9		3) Rational arrangement of homework or extracurricular reading	88	10		1		excellent	3.87
10	Teaching Results	1) Realization of teaching goal and demands and enhancement in students' learning capacity	90	8		1		excellent	3.89
11		2) Gains and improvement through this course	87	11		1		excellent	3.86
12	Comprehensive Evaluation		93	5		1		excellent	3.92

No.	Virtues and characteristics of this course
S01	The foreign teacher is humorous and amiable, the contents are also very useful and can be applied in future learning and research.
S02	Focusing on the combination of knowledge impartation and skill training, treating the lecture seriously, being helpful in improving students' ability.
S03	Realization of teaching goal and demands and enhancement in students' learning capacity.
S04	Rich in the lecture contents, the lecture is presented in jocular language which creates a comfortable atmosphere.
S05	The class climate is active, the contents are rich which can provide students with much very efficient suggestion in future scientific writing.
S06	It's enlightening, vivid in speech, using individualized learning/teaching methods, inspiring in students' initiative, focusing on the combination of knowledge impartation and skill training.
S07	The teacher is careful and responsible. The contents pay equal attention to the knowledge and ability.
S08	Rich in enlightenment, vivid in speech, using individualized learning/teaching methods, inspiring in students' initiative.
S09	Necessary for us who are about to do research soon.
S10	Part of the contents is comparatively fresh and will be very useful in future.
S11	This course helps me greatly. It teaches me much knowledge about scientific writing in chemistry.
S12	The teacher is a German; however, he speaks English very fluently. His lecture is lively and humorous, making me gain a lot.
S13	The teacher lectures very well. I have learnt quite a lot.
S14	This course gives me enhancement and gain of knowledge.
S15	The teacher talks humorously and the course is helpful and enlightening in paper writing in chemistry.
S16	The teacher is very captivating as a scholar. He fulfills his duty quite well and never comes to the class late or leaves early (very good sense of time). I like this course.
S17	This course gives me gains and improvements.
S18	The teacher is imaginative, good at teaching skills which the students love to see and hear.
S19	This course systematically presents every important aspect in English paper writing, including how to prepare the writing, where to publish, various writing and reviewing ethics, plagiarism and academic misconduct. This course endows me with not only enhanced English listening comprehension, but also better understanding of paper writing in English.
S20	It's enlightening, vivid in speech, using individualized learning/teaching methods, inspiring in students' initiative.

S21	The foreign teacher elaborates the course. I learn some writing skills.
S22	It's clear in concepts and highlights the key points; the course contents are taught according to varying levels of different students, thus benefiting the teacher and the students as well; the course pays great attention to the cultivation of students' ability and the assignment is rationally arranged.
S23	The contents are rich and capable of expanding one's horizon. The teacher's learning is profound and immense.
S24	The course is focused on the combination of knowledge impartation and skill training. The assignment and extracurricular reading are rational.
S25
S26	The course reaches the teaching goals and demands. The students improve their understanding of knowledge.
S27	I have gained deeper understanding of scientific writing in chemistry in addition to more definite understanding of some matters about which I did not know too much before attending this course.
S28	The course is taught very meticulously and it's popular and easy to understand. It has very good teaching results.
S29	The teacher lectures very carefully and conscientiously. The contents highlight the key points while maintaining a good overview with sufficient detail.
S30	The course is taught completely in English, thereby benefiting the students' enhancement in English level. The contents are more abundant.
S31	The course is practical, novel, and interesting. I like it very much.
S32	The course is enlightening, vivid in speech, using individualized learning/teaching methods and inspiring in students' initiative. It introduces the frontier and hot issues relating to English scientific writing.
S33	This course is very good at introducing the major lime lights concerning scientific writing in chemistry in a comprehensive yet summary manner.
S34	The course is enlightening, vivid in speech, using individualized learning/teaching methods and inspiring in students' initiative.
S35	This course introduces the frontier and hot issues relating to English scientific writing. The contents highlight the key points while maintaining a good overview with sufficient detail.
S36	The lecture is well prepared. The teacher makes the presentation carefully and responsibly. The explanation is meticulous.
S37	The course gives detailed introduction about the writing style of popular scientific paper in chemistry, it helps a lot in improving the students' writing skills.
S38	The foreign teacher is very nice and the knowledge is also very practical.
S39	The presentation is very exquisite and covers a broad range, thus teaching the students numerous useful things.
S40	The course reaches the teaching goals and demands. The students improve their understanding of knowledge. Gains and enhancement are also resulted from attending this course.
S41	The course is enlightening, vivid in speech, using individualized learning/teaching methods and inspiring in students' initiative.
S42	The teacher is very nice and responsible and teaches very carefully.

S43	The course proceeds in a rigorous manner, the contents are well-prepared, the presentation is serious, lively and invigorating.
S44	The course can expand one's horizon and, more importantly, one can practice the listening comprehension in English.
S45	The teacher makes the presentation vividly and the students learn lightheartedly. Very good!
S46	The course reaches the teaching goals and demands. The students improve their understanding of knowledge.
S47	This course improves my listening comprehension in English and understanding of scientific writing.
S48	Through this course, I not only learn English, but also improve skills in professional writing.
S49	The course is of numerous advantages, it's vivid, visual, and very rigorous.....
S50	The course is very good. The teacher is very affable and is of very high academic level.
S51	The course conforms to the syllabus. The assignment or extracurricular reading is rational.
S52	This course gives me gains and improvement.
S53	The teacher has a large stock of knowledge. The presentation is unique and proceeds humorously. Moreover, it's good to have lectures in English.
S54	The teacher pursues his studies rigorously. The lecture is well prepared. The teacher makes the presentation carefully and possesses sufficient grasp and understanding of the course.
S55	The course is enlightening, vivid in speech, using individualized learning/teaching methods and inspiring in students' initiative.
S56	The teacher is very experienced in scientific writing in English and has very profound understanding in this aspect. The presentation is very detail-oriented.
S57	The contents are novel and practical, the teaching style is humorous, very good!
S58	The course is reasonably arranged and the contents are sufficient. My attendance is worthwhile.
S59	It's very practical, the presentation is prepared very well and proceeds in English.
S60	The teacher is very humorous and capable of creating positive class climate.
S61	The teacher is humorous and draws attention from the students. The contents are sufficient.
S62	This course is very useful for us and Prof. Glaser is so funny. I like it.
S63	The course focuses on knowledge impartation and skill training, it's enlightening.
S64	The course is enlightening, vivid in speech, using individualized learning/teaching methods and inspiring in students' initiative.
S65	The lecture proceeds in English and pays attention to faculty-student communication, the teacher is very patient and the presentation is very fundamental.
S66	It can teach me many practicable things which are of great help in paper publication in future.

S67	The teacher is very modest, approachable, and enthusiastic to help the students.
S68	The course reaches the teaching goals and demands. The students improve their understanding of knowledge.
S69	~~~~~
S70	The course presents some do's and don'ts with regard to paper writing for journals.
S71	The teacher's spoken English is wonderful, it's very good for us to practice English speaking.
S72	The course makes me understand much new knowledge and grasp some novel things concurrently. My ability gets improvement.
S73	The course provides me with gains and improvement.
S74	Good.
S75	The teacher is careful and responsible, the lecture is meticulous and the teaching goals are accomplished. I learn something.
S76	The foreign teacher instructs us well. I can practice listening comprehension and learn many things as well.
S77	It's good to have the carefulness, responsibility, and untiring teaching from the teacher.
S78	The teacher is careful and responsible, he speaks neither too fast nor too slowly, and he pays attention to the interaction with students.
S79	The teaching is carried out in English completely. It's a wonderful experience to attend class taught in English thoroughly.
S80	The teacher is conscientious with study, he teaches by words and cases. The concepts are clear and the emphases are highlighted.
S81	The course emphasizes the cultivation of students' interests and encourages them to think, it's very enlightening.
S82	The teaching style is humorous, the course makes the students understand many things relating to academic research.
S83	The attitude towards paper writing and submission from a foreigner's viewpoint is presented in class. More importantly, the Chinese people's fear for English writing can be put aside. We expand the thinking in the course.
S84	The teacher's narration is very wonderful, each part of the course is introduced in great detail. The course is enlightening to certain extent.
S85	The emphases of the contents are highlighted and a good overview with sufficient detail is maintained, it also introduces the frontier and hot issues in the discipline.
S86
S87	It's very fantastic and meaningful to have lectures taught by a foreigner, it greatly helps people to improve.
S88	A good teacher, learned a lot from him.
S89	The teacher speaks as slowly as possible in the class and tries his best to make all people understand the contents, very good!
S90	The course narrates the basic process and some skills relating to scientific paper writing which are of great help to our future scientific writing. Moreover, a foreign

	teacher greatly helps us in enhancing the listening ability.
S91	Some basic requirements and methods in paper writing in English are introduced. The foreign teacher talks vividly and is rich in language expression. The teaching materials are representative.
S92	The teacher is careful and responsible. I gain a lot from this course.
S93	It is very useful and it gives me the method to research
S94	The course is enlightening, vivid in speech, using individualized learning/teaching methods and inspiring in students' initiative to study.
S95	The teacher lectures carefully and speaks neither too fast nor too slowly. The classroom impartation is combined with discussion.
S96	The course reaches the teaching goals and demands. The students improve their understanding of knowledge.
S97	The active class atmospheres and the broad range of knowledge help the students greatly.
S98	The course is enlightening, vivid in speech, using individualized learning/teaching methods and inspiring in students' initiative.
S99	It's very practical and taught very well.

No.	Improvement suggestions
S04	No.
S10	Some contents are taught with too many details, but it's good in general.
S11	The lecture is too condensed (in one week), competing for time with other courses.
S15	The positive faculty-student communication in class is relatively scarce. One lecture lasts for the whole morning (last for the whole morning) unavoidably makes the teacher and the students quite exhausted, therefore lowering the efficiency.
S28	The lecture is a little long, it would be much better if some videos were played.
S33	No.
S39	No.
S44	The occasional fast speech hardly impresses one in depth, feeling the contents a mess.
S50	The academic hours are insufficient.
S51	No.
S54	No.
S56	No.

S57	The academic hours of the course are short!
S58	Foreign language in addition to occasional faster speech results in incomprehensive understanding of the contents. More communication opportunities are expected.
S59	The classroom is too small, the seat number is less than the enrollment.....
S60	The course is taught in English throughout the class, it's very laborious to follow.
S64	The course is enlightening, vivid in speech, using individualized learning/teaching methods and inspiring in students' initiative.
S65	No.
S71	The teacher sometimes deviates from the main theme of the course.
S77	No.
S91	The academic hours are too short. Some comparatively useful knowledge is unable to be introduced specifically, only simple introduction about some aspects is put particular emphasis on.

No.	Comments on the evaluated items
S29	Evaluated from the teacher's attitude and course contents. The learning results of the students could be another specific index.
S33	Class practice.
S39	No.
S51	No.
S56	No.
S57	Whether the frontier knowledge can be introduced.
S59	The teaching contents and modes, the teacher-student interaction.
S60	No.
S64	Enlightening, vivid in speech, using individualized learning/teaching methods, inspiring in students' initiative.
S69	@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@
S71	The evaluation should verify whether the students are willing to learn the course actively. The learning time can be taken into consideration.
S74	Unnecessary to evaluate.
S77	No.
